My children, my loves, my
life. We have traveled a
long, hard, narrow road.
Nothing but good things can
happen to us now.

Together we have come this far.
Together we will go the distance.

No one ever said life was
easy, that is not news.

But life is interesting.

Crisis #12 Silvio tells it
all.

Las cosas en nuestra vida
siempre seran sagradas.

Nunca las desperdicien.

Con Amor

Su Mama.
