Lions, and tigers, and bears, oh my! So much goes on in our lives and we manage. College applications, car accidents, Quinceañeras, tight finances, more responsibility on the job, and just the run of the mill daily stuff. Just when I am feeling overwhelmed a ray of rejuvenating light is shone upon our lives. Brandon - you are overdone with college applications and transcripts, and six more months of high school. Yet, the possibility of a car brought a glow to your face. Emma - you are so excited about the prospect of wedding planning, and you're actually researching "stuff" about it; schools, articles, traditions, you're focused. Anything is possible. Things are good.
